TUCK'S POST CARD.

CARTE POSTALE. POSTKARTE.

ALDERNEY.—The Sister Rocks. The Sister Rocks and the wild scenery that surrounds them give a good idea of the whole coast of Alderney. The appearance of the island from the sea is that of a rugged mass of solid granite, covered with a flat carpet of green, and rent by giant fissures running down to the sea.

(For Address Only.)

Raphael Tuck & Sons' "OILETTE" "ALDERNEY & SARK." [Regd.] *Postcard* 7320.

From 'THE CHANNEL ISLANDS.' *Illustrated by Henry B. Wimbush (A. & C. Black).*
